#### Notes & Actions from last meeting

Members provided an update:

- Action 31: Evidence gathering on Tourism is complete and CEW has provided draft objectives. Transport draft objectives have been put together and both storyboards would be updated ready for the Spring 2017 objectives and policies consultation.
- Action 46: Publicity: TC to provide PE with a new e-mail address in order to set up a Twitter account. TC suggested [twitter@bewdleytowncouncil.org](mailto:twitter@bewdleytowncouncil.org). \*Update – this has now been done and a Twitter account set up, managed by PE.
- Action 49: New storyboards will be produced by the TC once the draft objectives have been agreed ready for a Spring 2017 consultation.
- Action 50: Traders engagement still needs to be thought through.
- Action 52: Draft objectives were received by Members and are currently being worked on by the Assistant Clerk following feedback from Sally Tagg. An updated document would be shared with Members in due course.

#### Draft Objectives

The “raw” form of the draft objectives as drawn up by each work stream group were shared and agreed as a strong start. The documents would now be sent on to Sally Tagg to make sure that we are on the right lines and feedback would be given once this had been received. \*Update – comments now received from Sally and Barbara will work on pulling all the objectives and policies together into one coherent document to be shared in due course. Our next consultation on both Objectives and Policies would be in the Spring of 2017.

#### Local Plan Review Update

The WFDC Local Plan Review timeline is to be amended, which would mean that our two Plans would run parallel. The Chairman, Town Clerk and Assistant Clerk are working closely with WFDC and Sally Tagg on a timetable for our NP.

**Date of Next Meeting:** **Tuesday 25<sup>th</sup> October 2016 \*Subsequently cancelled to allow work on the objectives and policies to continue\*.  
New date TBC.**
