Objectives and Policies Storyboards

The final drafts of the objectives and policies storyboards and maps were presented to the Group as drawn up by the Town Clerk and Assistant Town Clerk. There were no changes proposed and **it was agreed** to go ahead and print the storyboards and maps for use at the consultation event.

Objectives and Policies Consultation

The next consultation date is on Saturday 18th March 2017 11am-2pm. There would be one table and a set of boards for each policy area (6 in total) and the historical boards would be presented around the back of the room to give the “story so far”. Each attendee would be issued with a numbered survey on entry and would be asked to sign in. Participants would be encouraged to complete the survey before they left, but they could also take a booklet with them. Online submissions would be encouraged via the SurveyMonkey survey link on the beinbewdley.org website.

The maps accompanying the survey would be available on each table and numbered accordingly to stimulate discussion. All of the Steering Group would be in attendance at the event and would be on hand to explain elements of the Plan with attendees.

Next Meeting

It was decided not to hold the next meeting until the results of the consultation had been analysed after 30th April 2017.
